TUESDAY, - - - - - MAY 6, 1862.

SENSE VA. PANTERCESE. great mass of the individuals who come with whom the project is very unpoper pose a State and exercise its powers have mr, orgo upon the "Clibbonites," as religion position regime are less they style them, with marked effect— two paragraphs which we copy below feited thereby, and they are Inequable of Thisse who prefer a quiet home at the exercising the process of a firste, then North, to the prospect of being tone,

of these willified State governments, for and to the Army. I think at present the Albany Atlas and Argus, has descritise protection of the law local inhabit we would be ghal if every one of them ed to the enemy from our army at ants, and of such as may emigrate there, were with their Southern masters, how Yorktown. He probably became en be under the control of the government may lead us to hope for their freedom, reading of his brother's paper. at Washington and the loyal inhabitants when in the due course of events and brother has not get deserted, but all his of the territories. The right of suffrage time, a colocy may be made of them - sympathies are said to be in the direct and other political rights might, in time, But their being here is not a matter of tion taken by the deserters. be gradually restored to portions of the choice with our Government, but one of THE REPORTED DESCRIPTION - Gov. rabels, as they proved themselves truly necessity—an accident of war—and Morgan pronounces Col. Crocker and repeatant and disposed to be good and having them, they must make the best Maj. Cassiday prisoners, not deserters;

nant, though by no means glittering They will be used on the plantations, publican press, the gist of which is, " if the cultivation of cotton. the great mass of individuals who com-State has ceased to exist," a doctrine as senson. The robel hosts evacuate York | said ; Union men in the robellions States, and his official report : the result of which would be the catalilishment of a centralized despotism at To H. M. Stanten, Secretary of War: Washington, more absolute in its power We have the ramparts, guns, ammuthan any monarchical government on nitions, camp equipage, &c. We hold earth. The following extract from an the entire rebel works, which our engineers report very strong. I have thrown article in the last Landing Republican and all my cavalry and horse artillery in swers so clearly the vagaries of the pursuit, supported by infinitry. quoted;

more commit the crime of treason, than shall push the enemy to the wall. it can erime of murder, or highway rob bery, or assault and battery-it can no capacity, rebel; Judges of the State courts, and members of the State Legis- goes well for the Union : Governor or Judge, Sanator or Repre- swords, pistols, shells, fuses, cartridges, we cannot know it too soon." sentative, Sheriff or Hog-reeve, it is the saltpetre, saddles, tin, &c She was forfeithere of the office, no far as the man holding it is concerned, and is a cause for his impeachment, and removal therefrom formerly Ella Warley, captured en route formerly Ella Warley, captured en route but does not destroy or discontinue the from N That belongs to the people, and reverts to them. The anthority of the officer lapses, and a vacancy is created, to be filled by the loyal people, who only constitute a State. Unlike a mere pri vate corporation, a State cannot forfeit its rights and sovereignty, by non-mer or But it is objected, that the people too,

have joined in the conspiracy; they too power itself, has become corrupted—the people refuse to fill the vacancies, under have committed treason; the fountain of the Constitution. They refuse to obey lation. Once a State always n. State, is the laws.

We answer, that there are yet, no doubt, in all the States cursed by rebellion, loyal men enough to fill the offices in the several State governments, and should they elect themselves to office, and proceed to exercise the functions of officers, under the State Constitution, we have no doubt they would be recognized the pleasant duty of the Enterprise to Tea, Coffee, Sugar, as States de facto and de jure by the Cleneral Government, and there is power enough in that government to sustain them in the exercise of these functions. Congress has already recognized West-

orn Virginia upon this principle.
Not until all the citizens of a State shall become utterly tainted with treason, or poral Frank D. Keeler, of Fisher's the State be entirely depopulated, can it Company, to his father. The letter is be said that it may relapse into a terri-dated before Yorktown, April 21: tory, and its State Government be entirely lost; but in no case can it he said, that a State has committed treason, and so forfeited its powers, or status, as a State.

The Contrabands.

The efforts of the Government to educate and humanize the contrabands at the fruit? I wrote to you last week; Port Royal meet with little success .-Freedom, with them, it is getting to be naderstood, " is synonymons with idle. firing at each other. Our sharp shoot-"ness, impudence, eloth, and vagrancy, "and being naturally treacherous and " dishonest, they unbridle their passions, "and are a nuisance to the Government a and to the Army." The following unpromising pluture of affairs at Port Royal is from a correspondent of the Plint Citizen :

The contrabanda here are very no merous, and are under the direction and on which there is the loveliest scene I control of Edward L. Pierce, Govern ever looked upon. This creek is bridged ment agent, except those employed as with some six or seven bridges, all but servants by the officers of the Army. A delegation of Teachers, male and two of which are pontoons. female, have been sent from New York We are living here comfortably in our and Boston, to educate them, but the linen tents, which we carry on our success of the enterprise is doubtful - banks. It is questionable whether the time has We see by the papers that the people yet arrived to initiate such a system or of the North are losing confidence in to adopt such a policy. Certain it is McClellan. Well, the common verdict odor among all classes have, and many of the soldiers and officers of his army, of the members of said Educational is, that the imputient meddlers and busy Committee are already sick of the un borbes, who know nothing of military dertaking. Some have gone home - matters, should hold their tongues, or others are steking positions in the varia Regimente, as Hospital Nurses, come and see what he is doing. W

Macons, etc.; while others, more star think he is along everything that can ble, continue to work against existing be done for the good of the country. obstacles, and as patience and persever Most of the imputiont country editors also are said to overcome all things. they may eventually succeed. Many and public speakers would have him on in the event of our forces how a State can rebot. It is enough that to the sections and officers of the Division, happen to see into his plans

appeared in the same issue, and in the the State has growd to exist. The dec shot, so improved in a senthern same column, of the fact of the business is, there main it of the United States, and opinion that it they ever do full into the is not more question of the loyalty of its rebellions inhabitants, criminals and hands of the cubes. Gave provediment Col. Crocker and Maj Cassiday, than outlaws. Rebels have no rights which will be severe. Third, the negroes there is of the levelty of Gen. Franz. loyal men are bound to recent—more show but little day selicents approcedute there is of the loyalty of Gen. Franz schick the Construction recognition. They the efforts of their isometasters; and as Seignl, Commodure Foots, or Governor have recognited to have repuddicd the condition and are tree-dom is to them synonymous with Morgan, who no fully vindicates the therefore legalic and morally esterned allower, impadence, south, and vagence characters of the officers so craelly slan from claiming may rights under it. It is cy, and being naturally tremcherous and the daily of the national government to dish next, they unbridle their passions, dered:
